Master of Arts in Counselling Psychology

Robust Practical Focus

Practicum is a cornerstone of skill development.

"The 400-hour practicum we offer is one of the most robust practicum courses in the country. It equips our students with hands-on counselling experience through direct, supervised contact with clients.

In fact, 91% of our students agree that the practicum helped them gain clinical counselling competencies required to be successful at working with clients. A further 76% even discussed possible employment opportunities with their practicum site supervisors.
